Come and Find out What is Happening in Julianstown Be Part of It and Get Involved

Julianstown & District Comm. Assoc. are inviting all our neighbours and friends to come to a meeting to discuss what is happening in your village. We have a great calendar of events laid out for the night which will cover things like

- What is happening with Whitecross National School? Liam Burke will be there to tell us all.
- Did you know that the Julianstown Inn has new owners? Well John Macken will be on hand to fill us in on all the plans he and Tommy Carson have for it!
- We are working on developing a greenway from Laytown to Julianstown which will mean that you will be able to walk or cycle safely and enjoy the scenery rather than spend your time avoiding the traffic. John Higgins, Peter Monahan and Eddie Phelan will be on hand to tell us all about greenways.
- We have great plans to restore the Dovecote at Pigeon House Lane and the woods opposite the school. These are part of our heritage and should be available for all residents to use. Margaret Downey and Mary Logue will outline the plans.
- Tidy Towns – Isn't our village looking so much better these days? We have some very dedicated volunteers, and Tús Workers to thank for this. Have you seen the cemetery and the parish hall? They are getting a great spring clean at the moment. We hope to put in a few more flower beds this year, so if you have any seeds or plants, we would be most grateful for them.
- LivCom – Julianstown won a silver award at this International event in China and you can meet the team that made this possible.
